As we move into the month of January, we are officially halfway through our ASHRAE calendar year. We are finishing the year with a new chapter President, Bill Carmody (me). Kyle Deane, the former President, was called to the East coast in an effort to further his career and was unable to perform the duties of Chapter President.

At a Chapter Board meeting with David Underwood ASHRAE Society President in attendance held just prior to our Dec. 16th meeting is as determined that the best way forward would be to have someone who had served a Chapter President step in and complete this year so the rotation of the board could stay the same. I said I had been chapter president for Sierra Delta twice and could do the job if no one else could be found to take the position. The board decided to accept my offer and elected me the interim President to complete the 2015 / 2016 ASHRAE year. (I have to stop drinking before these board meetings).

This will be the third time I have served as an ASHRAE chapter president and I will strive to serve the Sacramento Chapter of ASHRAE to the best of my abilities.

December meeting with Dave Underwood – Society President was an excellent meeting and we all enjoyed David’s company.

Our next event is the Winter social at Ten22 on January 14th so mark your calendars. There will be a flyer coming out soon with the menu and other details of the event. Stay posted.

So until January 14th I hope you had a wonderful holiday season and enjoyed the time with your families.

ASHRAE has reached their goal of 55,000 members worldwide for 2015. Congratulations ASHRAE!!

However, January 1, 2016 the 870 members who have not renewed their membership that lapsed in June of 2015 will be officially drop from the membership roles. This will drop the membership below our goal of 55,000.

If your membership has lapsed you have 6 months to re-instate yourself before you are officially dropped from the membership roster.

Currently we have 262 assigned members our goal this year is 266 members. If you know anyone who could benefit from becoming a member of ASHRAE bring him or her to the next meeting and lets get them signed up.

Hope you had a Wonderful Holiday Season.

Bill Carmody – Membership Promotion Chair.
